Response to Editor-in-Chief

Manuscript Number: ESWA-D-23-01442R1

Title: Efficient, Economical and Energy-saving Multi-Workflow Scheduling in Hybrid Cloud

Dear Professor Binshan Lin,

Thank you very much for accepting our manuscript for publication in Expert Systems with Applications. Thank you for handling the paper and getting it reviewed. We are also grateful to the editors and reviewers for their time and constructive comments, which helped us to improve the manuscript.

We have deposited our code in the Code Ocean platform. DOI (or permanent link) to reproducible Capsule: https://doi.org/10.24433/CO.5717787.v1. After clicking on this link, readers will see the title, authors and brief description of the paper and the journal in which it will be published.

In section 5.2 of the revised version, we have added a permanent link to the source code, as follows: The source codes are publicly available at https://doi.org/10.24433/CO.5717787.v1 and https://github.com/zaixing-sun/MSIA_PMWS_HC_Public.

Sincerely,

On behalf of the co-authors

Zaixing Sun
